SCHOOL ADMINISTRATION

SAUGUS HIGH SCHOOL PHILOSOPHY . . .
In partnership with parents, business and community, Saugus High School strives to inculcate in its young people a sense of responsibility for their own achievement, personal growth and actions. The pursuit of excellence and recognition that learning is a life long process that is of utmost importance. We recognize that each student has diverse needs and that it is our responsibility to provide teaching strategies to support the varied interests and abilities of our students. Within the framework of academic diversity we must maintain a substantial number of extracurricular activities to allow all students sufficient flexibility to pursue individual interests. It is our hope that in providing a structured learning environment that fosters cooperation through mutual respect and understanding, students will grow intellectually; develop a positive awareness of self; celebrate their own uniqueness; and become useful contributing members of society. The impact of rapid technological, social, political and economic change in the world demands that our curricula be comprehensive, relevant, flexible and responsive to change if our students are to have the knowledge and skills to meet the challenges of the future. The curriculum emphasizes academic achievement and that ALL students are expected to master basic skills. We recognize the need to provide opportunities for aesthetic experiences and creative expression as well as a need to promote physical wellness and a healthy lifestyle as integral parts of a holistic education. We are dedicated to the belief that the environment in the school and community will encourage all students to acquire a positive regard for learning and a desire to pursue excellence while developing their potential. We recognize that if our mission is to succeed we must acknowledge that students are not merely recipients in the educational process, but also active partners with their school, their community and their parents and share a mutual commitment.

"I cannot tarry longer. The sea that calls all things unto her calls me, and I must embark. For to stay, though the hours burn in the night, is to freeze and crystalize and bound in a mould. Would I take with me all there is here, but how shall I? A voice cannot carry the tongue and the lips that gave it wings. Alone must it seek the other and alone and without his nest shall the eagle fly across the sun."

MEN'S SOCCER TEAM: (front row, left to right) David Newman, Robert Pesce, Josh Soroko, Joseph Dauenhauer, T.J. Liberti and Jason Churches. (Second row, left to right) Ryan McKeever, Steven Collins, Mark Connors, Chris O'Connell, Steven Gould and Shaun Finn. (Third row, left to right) Coach Mike Hashem, Coach Dan Webb, Jaffrey Hoey, Co-Captain Mark DeThomas, Co-Captain Steven O'Connell, Tim Heffernan and Vincenzo Sestito.

SHS MEN'S SOCCER team started fresh this year. With new coaches Mike Hashem and Dan Webb the team combined a little luck with pure ability to produce a winning record. The squad consisted primarily of underclassmen and everyone on the team put forth a great effort. Their record of 9-6-3 placed them in a fifth place slot in the Northeastern Conference and paved their way for entry into the State Tournament.

SHS WOMEN'S SOCCER: (front row, left to right) Kelli Mulcahy, Captain Kristen Dauenhauer, Captain Jayne Walsh, Kristen Berrett, Captain Andrea Hendrickson, Erin McNeil and Valerie Moriello. (Second row, left to right) Michelle Leger, Alison Brown, Michelle Gavegnano, Daniella LaRosa and Natalie Bean. (Third row, left to right) Roy LaFrenier, Laura MacLaughlin, Lisa Holmes, Julie Niles, Meghan Bridges, Jennifer Patoulidis, Dawn Osgood and Coach Ted Moriello.

"Oh . . . Geeeee!"

Captains: Jayne Walsh, Andrea Hendrickson and Kristen Dauenhauer

"I just can't do it, captain"

GIRL'S SOCCER: Coach Moriello wanted the team to be "More offensive minded and to score more goals." Whatever they did they did something right. The team finished fifth in the ranking in the Northeast Conference with a record of 8-5-5. This effort took them to the State Tournament for the first time in four years.

WOMEN'S SOCCER SENIORS: (from left to right) Erin McNeil, Jayne Walsh, Andrea Hendrickson, Kristen Dauenhauer, Kelli Mulcahy and Valerie Moriello.

Captain Kristin Patoulidis and teammate Jill Teixeira

"only 20 more miles to go, girls."

"the agony of de feet."

HS CROSS COUNTRY: This season was the first time in years that Saugus High had both Boys and Girls as participants in Cross country. The fact that both genders represented the school only emphasized what a great group of athletes ran and performed. Coach Babcock shaped them all up and whipped them into shape so that the team ended up qualifying for tournament.

Sitting, left to right: Sarah Lecaroz, Sandra DiCarlo, Carmina DiVirgilio and Daisy Penney. Standing, left to right: Captain Kristin Patoulidis, Julianne Glancy, Heather Thistle and Jill Texiera.

"I love being able to drive and to get where I want to go." . . . quote from an anonymous golf team member.

GOLF

Seniors (left to right) . . Jay Sartori, Paul Giansiracusa, Captain Richard Loud, Derek Flynn and Coach William MacNeill.

The Golf Team this year had an outstanding squad, comprised mostly of underclassmen. Their record of 6-2-1 brought them to the State Tournament and all their efforts paid off by giving them a tenth place standing Statewise.

Back row, left to right: Coach Pat O'Leary, Joshua Soroko, Chris Wright, Steve O'Connell, Mark Botelho, Jay Sartori, Frank Navarro, Kris Victor and Mike Mabee.

"I've got it!" ...

Although the Boy's Basketball team did not see a winning season, this team with only four seniors, tried their very best. Coach O'Leary lead them in all the right directions remembering that it is not who wins or loses but how well you play the game.

"This isn't happening to me."

SENIORS . . . left to right: Mark Botelho, Chris Wright, Coach Pat O'Leary, Jay Sartori and Steve O'Connell.

Back row, left to right: Michelle Gavegnano, Lisa Holmes, Jennifer Nathisen, Anne Alessandrini, Sherry Bridges, Julie Niles, Whitney Morgan and Coach Tom Burns.

"Oh no, oh no, oh no!!"

Winter sports heated up when Coach Tom Burns' girls hit the court. This team proved that they knew how to play. Senior Co-Captains Kelly Blanchard and Jessica Riccio made all the right moves in leading the team to a State Tournament Qualification.

Coach Scott Brazis toughened up this season. All the players who hit the ice played cool and calm. After last year's outstanding season this year's team definitely did not let anyone down. With their record of 9-4-1, they put themselves into the State Tournament.

"Hmm . . . I wonder what these guys are thinking?"

"Now this is what I call a sport."

"No Brian . . the Red Team did not cheat."

GIRL'S TRACK

The Girl's Winter Track Team has come a long way. This team consisted of just a few women athletes only a year ago and has since grown to the large size that it is today. There are only three seniors participating and still the girls were strong enough to show all the other teams that they could win.

COLOR DAY 1994

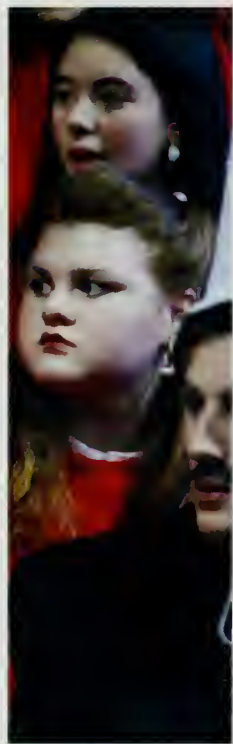

Color Day '94 was the place where our class definitely took over. Since we've entered Saugus High our class has maintained a powerful skit and lots of spirit. This year was no different. Our Class Skit, "The Wizard of Oz" was the best, yet even the underclassmen, who did juniors Romeo and Juliet, sophomore "Ghostbusters" and freshmen "Snow White and 7 Dwarfs" gave some tough competition. Once again for the second year in a row, the Class of '95 won it all.

*my life's a circle, Sunrise
and sundown, The moon rolls
through the nighttime, 'Til the day-
break comes around. All my life's a circle,
But I can't tell you why. The season's spin-
ning 'round again, And the years keep rolling
by. It seems like I've been here before, I can't
remember when. And I've got this funny
feeling, That we'll all be together again.
There's no straight lines that make up my
life, And all my roads have bends.
There's no clear cut beginnings,
And so far no dead ends.*
